SIDO, the leading B2B event on the convergence of IoT, AI, XR and Robotics technologies for the digital transformation of companies!

For 9 years, **SIDO Lyon has been the historic event for all the IoT, IA, XR & Robotics ecosystem:** suppliers of tech solutions, industrial groups, research laboratories, local authorities, institutions... **They all meet at SIDO!**

SIDO benefits from a powerful and wide range of industries: Metallurgy, Plastics, Chemistry, Electronics, Pharmaceutical Industry, Food, Textile, Machinery and equipment...

As key event in the decision-makers' calendar, SIDO supports companies in their digitization projects by bringing together technological leaders over a two-day trade show: **from innovative bricks to complete and ready- to-go solutions, the entire value chain is represented.**
